

Biblioteca Biomédica (BB) SIIC

La BB SIIC, compuesta por más de 800 colecciones de publicaciones periódicas especializadas, impresas en papel, sustenta los programas editoriales de la Sociedad Iberoamericana de Información Científica (SIIC) y nutre de información a miles de profesionales, instituciones y empresas de América latina y el mundo.

Los beneficios de la biblioteca se ofrecen sin cargo a los socios y colaboradores de SIIC y a las instituciones que celebran acuerdos de cooperación con nuestra organización. Las empresas patrocinantes acceden además a servicios exclusivos concertados.
